

INFORMATION BULLETIN No.1

Published: Friday 28th September h 4.00 pm

1. Supplementary Regulation

- 1.1 In partial amendment of Art. 6 of the Sporting Regulation of the event, we inform that the minimum number of pit stops (driver change) will be 10, instead of 8, for the PRO category. The number of 12 pit stops remains unchanged for the Silver Cup teams. Driver stints do not have a maximum time.
- 1.2 Radios for driver/box communications are allowed. Every system will have to respect the safety general conditions.
- 1.3 Slick tyres will be used also in case of rain.

2. Driver's license

- 2.1 It is required a valid Karting license released by ASI (sporting institution organizer of the event). Drivers who don't have this license can ask for it at the race office at the price of Euro 10,00.

3. Administrative checks & Kart drawing

- 3.1 Administrative checks will take place at the race office according to this schedule:
 - Friday 5th October: from 03.00 pm to 06.00 pm
 - Saturday 6th October: from 07.30 am to 09.00 am
- 3.2 Team managers will have to bring the declaration form with the final drivers' list and their ASI licenses.
- 3.3 The karts will be drawn by the team manager at the race office during the administrative checks.

We kindly ask all the team managers to send the declaration form in advance by e-mail (alex@kartcrg.com) within Wednesday 3rd October, considering that changes are allowed until the end of the administrative checks.

4. Extra free practice session (Friday 5th October)

- 4.1 There will be an extra free practice session, which is optional and subject to charge at the price of Euro 100,00 per team (to be paid at the race office at the circuit). It will take place on Friday 5th of October from 05.45 pm to 06.45 pm with timekeeping. The teams will be given the kart drawn for the race.
- 4.2 The participation to this free practice should be communicated in advance by email at: alex@kartcrg.com

5. Weight and ballast

In order to balance the drivers' weight, all the teams will be provided with ballasts to be applied according to the following system:

WEIGHT	BALLAST	BLOCKS
Up to 69,99 Kg	20 Kg additional weight	4 blocks
From 70,00 Kg to 74,99 Kg	15 Kg additional weight	3 blocks
